

***About Robert***

Robert trained over 21 years ago in Five Elements acupuncture, and has been practicing in Bethnal Green for over 20 years.

***About my practice***

Five Elements acupuncture has a simple but effective approach to identifying the main constitutional imbalances in each of us and through treating it gives support and nourishment and ultimately balance, to the person as a whole.

***Special Interests***

I am especially interested in depression and emotional problems, and in addition, sports and dance injuries, stemming from originally having trained as a professional classical dancer.

***Qualifications***

- Licence in Acupuncture (Lic Ac)
- Post Grad Diploma in Traditional Chinese Medicine

***Professional Registration***

- British Acupuncture Council
